

# NightRider

## NightRider

A man that comes from a poor but hardworking family. He was taught that with hard work he can accomplish anything, well he decided to take a short cut and paid the price. A cursed parasite now takes hold of his body and he is condemned to be an outcast.

## Dagger(weapon)

An ornate dagger passed down from fathers to their sons. It is meant to be used as a precise tool for fine cuts and slices.

## Parasite(sheild)

A parasitic monster that binds itself with its host, painful entrenching itself with its arms and other materials. It mimics its host and pray with crude imagination. Despite how harmful it can infect the host it will protect them by any means necessary
